AEQUOR/Financial Allotments

REF: EQUOR-15998

1. The following information is submitted in accordance with the request of paragraph 2 reference.

2. The subsidy for the AEQUOR published newspaper amounts to \$13,190 annually. Even though the magazine was terminated at the beginning of the fourth quarter, the subsidization costs for three quarters amounted to approximately \$1200. This makes a total of \$14,350 just for publication subsidies alone, an amount which exceeds the \$14,000 which was allocated. In addition to the publications there were certain expenses connected with the initiation of the Area Representative Program which, at the time, were considered chargeable to KUGOWN.

3. It is hoped that the above information will serve to resolve the status of AEQUOR/KUGOWN funds. Since a new fiscal year is on the horizon, the field would appreciate information on AEQUOR Project allotments both KUGOWN and EDFIRE as soon as possible.
